

## **BRIGHT SPOT FARMS COMMUNITY SUPPORTED AGRICULTURE (CSA)**

Bright Spot Farms is a small, nonprofit farm based out of the West End Neighborhood House. Our farm is run by dedicated staff and the young adults in our youth training programs. Together, we grow fresh vegetables using practices consistent with the USDA organic standard, meaning no genetically modified seeds and no harmful pesticides on your vegetables. We grow these vegetables on 2 acres just outside Wilmington on Rte. 13 at the DE State Hospital Herman Holloway Campus (1901 N. DuPont Hwy. New Castle, DE 19720).

### ***What is a CSA and how does it work?***

In a CSA, individuals buy a "share" of the produce grown on a farm at the beginning of the season, which they receive weekly for the duration of the season. It is basically like a subscription to a farm! Customers receive their share of produce in lots of different ways and choose based on what works best for their lifestyle.

### ***When does the CSA start and end?***

Our CSA will be weekly and run from May 13<sup>th</sup> to October 28<sup>th</sup> in 2020.

### ***What will I get in my share?***

Our boxed shares will contain an assortment of seasonal veggies. Our spring/summer CSA will include veggies including (but not limited to):

*Carrots, Beets, Radishes, Salad Turnips, Kale, Collards, Cabbage, Spring mix, Scallions, Onions, Tomatoes, Cherry Tomatoes, Bell Peppers, Eggplants, Hot peppers, Summer squash, Zucchini, Cucumbers, and Herbs!*

Space is limited so don't wait to sign up!
